

HIDDEN TO WHOLE

Lent Video Script - *Hidden to Whole*

Then God said, let us make humankind in our image, in our likeness.
God formed us from the dust of the ground and breathed his breath of life into us.
God saw all that he had made, and it was very good.

For we are God's handiwork.
We are God's children.
Heirs of God and co-heirs with Christ.

We are the light of the world - Christ's ambassadors -
fearfully and wonderfully made.
Our inheritance is hope, peace, love and joy.
By his Spirit we are empowered: to be bold, to be righteous.

These truths cannot be changed or rearranged, they cannot be taken away,
reversed or left to read only on a page.
But over time we can forget - their weight and our worth.
We can forget the claim to our inheritance, gifted through birth.

The peace feels a little harder to find, as our hearts are hardened to the truths
that once set us free.
Lies can creep in and distort God's reality.
We know disappointment.
We've tasted complacency.
We've felt insecurity and bowed to conformity.

Each of us carries unploughed ground within -
hardened places, hidden fears.
A shell of self-preservation, resisting God's transforming love over the years.
But what God has planted is waiting,
longing to be found!

HIDDEN TO WHOLE

Our God is in the business of resurrection,
breathing life into the hardened ground.

So let us look to what is concealed.
Truths tucked away in the folds of our hearts,
treasures buried - not to be forgotten, but to be revealed.

Sow righteousness for yourselves,
reap the fruit of unfailing love,
and break up your unploughed ground.
For it is time to seek the Lord,
and uncover what's already yours.

This is a journey of revelation and prophetic declaration!
To resurrect what is lifeless,
renew what is dormant,
and let God breathe his breath of life in us once again.
Because what's hidden is not lost.
It's waiting.

From hidden, to whole.
