

# COLOURING CORNER

## BLACK HISTORY MONTH COLOURING

October is Black History Month and 4–10 October is World Space Week, so we've combined the two for this cool colouring. Dr Maggie Aderin-Pocock is a black British space scientist who also presents *The Sky at Night* and BBC's *Out of this World*. She's also written books and toured schools to get kids excited about space. Add some colour to the design below and if you'd like to share your artwork with other readers, email your colourings to: [kidsalive@salvationarmy.org.uk](mailto:kidsalive@salvationarmy.org.uk). Make sure you write 'Black History Month Colouring' in the subject box and give us your full name, age and address. Alternatively you can post your colourings to: Your Space, *Kids Alive!* 101 Newington Causeway, London SE1 6BN. One last reminder, if you're sending by post remember to fill in the details below so we know who you are. One last reminder, if you're sending by post remember to fill in your details below so we know who you are. We send a gift to everyone whose colouring we publish, so don't miss out!
