

I WILL WORSHIP YOU

(All)

With ev'ry breath that I'm given,
With ev'ry word that is formed,
With ev'ry thought I consider,
I will worship you, my Lord. **(x2)**

No eye sees Heaven clearly,
No ear can even hear,
No mind begin to dream of what God in love's prepared.
For those who love him deeply,
For those who keep his word,
For those whose walk is humble,
For those he loves.

Repeat once

With ev'ry breath that I'm given,
With ev'ry word that is formed,
With ev'ry thought I consider,
I will worship you, my Lord. **(x2)**

I will worship you, my Lord.
I will worship you, my Lord.
