Exploring where The Salvation Army stands on moral and social issues

poverty

www.salvationarmy.org.uk/uki/masic

...being so poor that you can't afford to eat

...earning under half the average income in your country

...having no choice in what you buy. You can only afford the cheapest things

...millions of people dying of starvation

...not just about having no money. It is about not having rights, not being able to control your life or make it better

...being poorer than everyone else in your community or society

...not having a job or a home

...being born in a developing world country

...feeling inferior to other people around you because you are poor
