What am I?

Each of the clues below describes an object which you might find inside a Salvation Army church. See if you can work out what they are!

1

I'm bright and colourful and I usually stand at the front or the back of a Salvation Army church. I find it hard to keep still, though, I like to be out and about - like at the front of a march! What am I?

2

I am usually made of wood and I am almost always found at the front of a Salvation Army church. You won't see me in many other types of church. What am I?

3

You might have seen me in lots of other Christian churches, not just The Salvation Army. Maybe you've seen me on a necklace. I remind Christians of what they believe and who they follow. What am I?
