

# resources list

---

This is a complete list of resources to help you in your planning. It tells you everything you need for each zone and for the visit as a whole, including resources which are provided and those which you will need to gather together yourself, depending on which activities you choose to include. As soon as you have an idea of which resources you need, remember to let the Resource Hub or DHQ know. The easiest way is to send a copy of this tick list, alternatively, phone or email your requirements.

\* indicates resources which DHQ/corps could supply themselves if preferred, although they will be available from the Resource Hub if required.
