GROWING AS A CHILD OF GOD

Luke 2:41-52 Jesus in the Temple

Here are some ideas and activities you could do on your own

Play

Set up a school or a Sunday school at home, with your siblings or your toys. You are the teacher. What subject would you like to teach? How can you encourage your 'pupils' to learn and grow?

Bake

Find a Passover recipe and bake something special for your family, friends or neighbours.

Draw

Design your own family coat of arms, with pictures and symbols that represent things important to you and your family - for example: pets, hobbies, family members... Share what you have drawn with your family members.

Watch

Watch a documentary on a subject that interests you - for example: animals, airplanes, cars or engines, sport, or travel. Note three things that you learn that you can share with your family.

Build

Jesus grew up as a carpenter's son and learned how to be a carpenter himself. Can you build something out of wood? Who can help you learn the skills that you will need to do this?

Investigate

What foods should we eat to help us grow strong and healthy? Can you prepare a plate of these foods to share with your family? You could look at the Eatwell Guide to help you: <https://www.nhs.uk/live-well/eat-well/the-eatwell-guide>.

Learn

Teach yourself a new skill. This could be how to use a yoyo, learn a dance routine, bake a cake, say hello in another language, juggle, skateboard...
