

# Explore It FOR ME

AUGUST  
SESSION 04

## I CAN TELL OTHERS ABOUT JESUS

### 2 Timothy 1:5-14 Timothy

Here are some ideas and activities you could do on your own

#### Draw

Make a family scrapbook for Timothy's family. Draw pictures of his mother, grandmother, father, and then Paul and some of the events of Timothy's life (for example, reading Bible scrolls when a child, helping Paul write letters, his first preaching job in Ephesus...)

#### Make

Print out the chatterbox template below and make it. Play it with your family, asking and answering the questions together.

#### Serve

Can you do something to help children younger than you? Perhaps you could volunteer to help in the crèche or pre-school group when your Sunday school is back together. Perhaps you could offer to play with a neighbour's younger child for a little while. Perhaps you could help your parents look after your younger siblings.

#### Play

Gather some toys together and set up a school. What subject will you teach them? If you have any younger siblings or friends, you could ask them to play with you too.

#### Learn

Ask a member of your family or a friend to teach you something new. This could be a new skill, like keepie-uppies, baking a cake, or some new information. Find a willing volunteer who will let you teach them something too.

#### Read

There are some inspiring books that tell stories of how girls and boys had the courage and passion to make a big difference in the world; Irene Howat has written a series of books on this theme. They are called *Ten girls who changed the world*; *Ten girls who made history*; *Ten girls who used their talents*; *Ten boys who changed the world*; *Ten boys who made history* and *Ten boys who didn't give in*. Perhaps you could make a poster or slide presentation on one of the boys or girls who inspires you the most from these stories.
