JUSTICE: MY LOCAL COMMUNITY

 James 2:14-17 Faith and Deeds

Here are some ideas and activities you could do on your own

Investigate

Write a list or draw pictures of ten different jobs, for example teacher, doctor, policeman. For each one, list as many actions as you can think of that go with that job. Then think about the actions that you can do that show you are a Christian.

Play

Play a game of 'Follow my leader' or 'Simon says' with your friends. Do lots of actions for your friends to copy.

Create

Walk around your local community and take photos of your favourite places. Create a collage of your photos and tell others why you like each place. You could also create a photo quiz for others to see if they could guess the different places in your photos.

Watch

Every day watch out for a need that someone else has. If you can, do something to help that person. If you can't, tell an adult and see if they can help instead.

Draw

Make a poster, using drawings or pictures from magazines, that show faith in action.

Read

Read Matthew 5:16 in lots of different Bible translations (you can do this easily using Biblegateway.com). Ask an adult to help you understand what it means and then draw a picture or create a model that represents it.
