

# Explore It TOGETHER

NOVEMBER  
—  
SESSION 03

## THE RIGHTS OF THE CHILD

### 1 Samuel 3 The Lord Calls Samuel

Here are some ideas and activities you could do as a family

### Create

Make a rattle toy for World Children's Day. Listen carefully to the instructions on this video: <https://www.youtube.com/watch?v=UiROW5XH-h0>

### Draw

Download a picture of the world and draw lots of children around the outside. Perhaps give each child on your picture a number that represents your favourite articles from the UN Convention of the Rights of the Child and share why. Or you could colour in this picture together: <https://www.dentistmitcham.com>

### Investigate

Find out about services for children and young people in your area. Does every child have equal access to education? Healthcare? Recreation facilities? Find out about places in your part of the world and in other countries where children's rights are being infringed.

### Watch

Watch a film from The Salvation Army's YouTube channel about its work with children around the world. As you watch, try to identify any of the Rights of the Child that are being upheld by the people or projects working with children.
