

They shall come from the east

(Kevin Larsson)

They shall come from the east, they shall
come from the west,
And sit down in the Kingdom of God;
Both the rich and the poor, the despised, the
distressed,
They'll sit down in the Kingdom of God.
And none will ask what they have been
Provided that their robes are clean;
They shall come from the east, they shall
come from the west,
And sit down in the Kingdom of God.

2. They shall come from the east, they shall
come from the west,
And sit down in the Kingdom of God;
To be met by their Father and welcomed and
blessed,
And sit down in the Kingdom of God.
The black, the white, the dark, the fair,
Your colour will not matter there;
They shall come from the east, they shall
come from the west,
And sit down in the Kingdom of God.

3. They shall come from the east, they shall
come from the west,
And sit down in the Kingdom of God;
Out of great tribulation to triumph and rest
They'll sit down in the Kingdom of God.
From every tribe and every race,
All men as brothers shall embrace;
They shall come from the east, they shall
come from the west.
And sit down in the Kingdom of God.

Breathe ... and be still

(Andrew Maycock)

When you're still, you can feel the Master
whisper to you.
Hold his hand, understand that he's always
there for you.
When the way is cold and dark and you've lost
your will,
Find a quiet place, breathe, and be still.

2. When you're still, you can refill all that
daily life has taken,
You can share; he'll repair the troubles of the
day.
There's no burden too great to leave with him,
Find a quiet place, breathe, and be still.
He who put stars in space; He knows your life's
full plan!
He understood your needs before time began!

3. So be still, trust his will, relax in his love.
Glorify! Magnify! Worship Christ Lord above.
If the way grows dark again;
Once more you've lost the will.
Find a quiet place, breathe and be still.
Andrew Maycock

King of Heaven

(Daniel Elson)

Open my lips, Lord, 'Cause I want to sing your
name.
Open my eyes, Lord; I want to see you ev'ry
day.
Open my heart to a love that's pure and true.
I open up my life to you.

*King of Heaven,
I come into your house with praise.
King of Heaven,
You're so awesome I'm amazed,
That you even notice me,
I've reached no great heights,
I'm the child of a King with you in my life!*

2. Open my ears, Lord; I want to hear your
voice.
Open my mind, Lord; I want to make the right
choice.
Open my heart every day anew.
I open up my life to you.
Daniel Elson
