

12 WAYS TO BRING
JOY
THIS
CHRISTMAS

Bringing joy to your followers

1. Spread the joy challenge

Take a photo of yourself holding up a piece of paper with something written on it that brings you joy. Post the photo on social media and tag three people challenging them to do the same. The aim is that a whole load of joy will be spread around your contacts and beyond! Use the hashtag #SACChristmasJoy.

2. Christmas carol/dance compilation

If you have the skillset and technology available, then select a song that you could get your friends/family/followers to dance, sing or play along to, and then use video editing software to piece all the material together to create a joyful, fun-filled compilation video. Tips on doing this can be found [here](#).

3. Christ-mess

Download and share a [Christmas spoken word](#) to share the joy of Christmas.

4. Music Editorial recording to share online

Access the Music Editorial Christmas resources [here](#) and use them to record yourself performing Christmas music to share online with others.

5. Go Chatter festive videos
