

# Explore It TOGETHER

## GOD'S CHOICE

 **Luke 15:11-32 The prodigal son**

Here are some ideas and activities you could do as a family

### *Bake*

Bake a cake together and celebrate as a family that God loves us and forgives us. (You may wish to decorate with pig-shaped sweets!)

### *Watch*

Find another version of The Prodigal Son story on YouTube and watch it together. Share with your family what you learned about the story.

### *Create*

Create a 'welcome home' sign together. Hang it near your front door, so as soon as you enter, you are reminded that you are welcomed.

### *Share*

Talk together about a time when you had made a wrong choice and if you were forgiven. What happened? How did it feel to be forgiven? Have you ever forgiven someone else? What happened and how did it feel?

### *Hug*

The father welcomed his son back with open arms and a big hug. Try greeting each member of your family with open arms each day. And remember God loves us!

### *Pray*

Pray together as a family thanking God for his love and forgiveness. Pray for guidance that we will make good choices in our lives.
