### INTRODUCTION/BACKGROUND

There are lots of days throughout the year that we celebrate: Mother's Day; Father's Day; Valentine's Day; Grandparents Day; Burns Night; St David's Day; St George's Day and many more. These days, which appear in our calendars every year, can sometimes be very painful and leave us with a feeling of exclusion.

Every year 15 May is the United Nations' [International Day of Families](#).

'This day provides an opportunity to promote awareness of issues relating to families and to increase the knowledge of the social, economic and demographic processes affecting families.'

This day can also help remind us that we are all part of a family. There are no exclusions because we all belong to the family of God, each of us a child of God, brought together through Jesus. We are the family of God, fearfully and wonderfully made, unique and equipped by God in so many different ways. That's something we can celebrate!

Why not plan a tea as a fundraiser for the Helping-Hand Appeal, remembering that God's family is worldwide.

 *Plan a virtual fundraising tea. For example: slices of cake, a cupcake, a tea bag, a serviette and a flower in a bag. Take orders in advance and have an online event with delivery on the day. Perhaps members could prepare some entertainment too, like readings, jokes, music, art to show ...*

## BIBLE READING/THOUGHT

Family life is regarded as the bedrock of society all around the world. Today we are celebrating the United Nations' International Day of Families. It is a day that recognises the importance of families all around the world and seeks to include everyone.

Family life is not always easy and sometimes relationships get strained. We only have to remember the story of Joseph in the Old Testament to find a family who struggled to get along all of the time. Joseph's brothers were so jealous of him (and his new coat) that they sold him into slavery. But thankfully we know it all worked out in the end!

The Scriptures make it very clear that we are all God's children, and even though we may have different coloured skin, speak different languages and eat different food, we are all created in God's image and are loved by him.

Family celebrations very often involve the giving of gifts, and lots of us will have special mementos that are precious because they were given to us by our family. God gives many gifts to us too - the blessing of a new day, the beauty of the world around us, the joy of friendship - but his greatest gift is his love.

'See what great love the Father has lavished on us, that we should be called children of God! And that is what we are!' 1 John 3:1

So today let us celebrate together how great it is to be part of our family and also to be part of the family of God.
