## LIVING FOR JESUS (MYSTERY STORY)

### Matthew 10:1-16 Jesus sends out the Twelve

Here are some ideas and activities you could do as a family

### Play

Play a guessing game like Pictionary, Charades or Rapidough (play-dough modelling) and get each other guessing what is happening.

### Sense

Go on a mystery walk. There probably aren't many places left near where you live you haven't been to, but if you like to follow a set route perhaps today try turning the other way or doing the route in reverse and see what you notice.

### Read

This week our story was Matthew 10:1-16. The rest of this chapter contains more that Jesus shared with his disciples. Each day read a little bit of the chapter and talk about what you think Jesus is saying.

### Pray

One of the activities for the children is to write their questions for God. Spend time as a family talking about the different questions that have been asked and ask God what he is saying to you.

### Share

The disciples were given an exciting, mysterious and perhaps a little scary challenge by Jesus to go and spread his love. What gift has God given your family you can use this week to show God's love to others?

### Bake

Try a new recipe - something you've never made before! Or perhaps add in a mystery ingredient and get people guessing what it is!
