 Luke 24:13-35 The road to Emmaus

Here are some ideas and activities you could do as a family

Play

You will need a hula hoop, small paddling pool and bubble solution in the pool. Stand in the pool and lift the hoop and watch the bubble surround you. How does it feel?

Bake

There are many types of bread. Find a recipe and bake your favourite kind. As you eat it, read the story together and discuss what opportunities there are for you to see God around you.

Sense

Visit somewhere which is one of your family's favourite places. What do you like about it? Why does it make you happy? How can you share the good things about this place with others?

Play

Play a game of Keeper's Keys. One person, the keeper, stands blindfolded in a corner, holding a bunch of keys behind their back. Another person, the thief, takes the keys. The keeper then asks, 'Who stole my keys?' The thief replies, in a disguised voice, 'I stole your keys.' The keeper turns around and guesses who took the keys. Can they recognise the person who did it?
