Reaching KAPAG 4 is a great achievement. You are well on the way to your first certificate.

Now here's more of Jesus' story to learn and think about.

Read Mark's account in your Bible: Mark 1:29-45

Simon invited Jesus and some of the disciples home after the service. They found his mother-in law ill in bed and the meal unprepared.	When Jesus heard the bad news he went straight to see her. He grasped her hand and she felt better.	Then he gently helped her to her feet. Soon she was well enough to prepare a meal. Later many others came to be healed by Jesus.

Next morning, when Simon and the others got up, Jesus had gone. No one had seen him.	They went further into the hills. They found Jesus alone, talking to God, his Father.	'Everyone's looking for you,' they said. 'I must move on and preach in other places,' he said.

This is sometimes called 'TLC'. Jesus always used this as well as his wonderful healing power.

Describe how you could give 'TLC' to someone in your family who wasn't well.

Hospitals are places where many people go for healing. Use the KAPAC code to find out who works in there.

General Hospital

A large grid of KAPAC code symbols for decoding. The symbols are arranged in several rows. A central illustration of a double door is placed within the grid.

Choose one of these people and draw or write about their work in the space below.

What do you think these people feel like at the end of a day (or night) at work?

Now read Mark 1:40-45, then draw in the boxes what Mark would have seen. Don't worry if your drawing is not marvellous – have a go. Pin men are OK!

One day, a man who had a terrible skin disease came to Jesus and begged him to help him.	Although the disease was known to be catching, Jesus touched him because he wanted to help	Jesus told him to keep his healing a secret, but the man was so excited that he told everyone!
