

# Explore It TOGETHER

## BE WILLING

 Luke 22:39-46 Jesus prays alone

Here are some ideas and activities you could do as a family

### Share

Prioritise time as a family to talk about the things that you each want to do. As you share, consider if they are things which God wants for your family.

### Sense

I wonder what the garden was like that Jesus prayed in? When you go to an outdoor space or garden this week, spend some time appreciating the wonderful creation God has given us and talking to God.

### Play

The games from today's session were Follow the Leader and Higher/Lower. Teach your family and play together.

### Investigate

Together, interview people from your church family who can share with you times when they have followed God's will in their life.
