TRUST IN CHRIST

 Acts 2:42-47 The believers share

Here are some ideas and activities you could do as a family

Share

There are so many ways we can be 'the Church' to those around us. Is there a new way you can try this week? Reach out to someone else. Use your gifts for Jesus. Perhaps mend a hurting relationship.

Sing

Make a family song together. Use a familiar tune like a song or nursery rhyme and create lyrics about people being the Church ('we don't leave people in the lurch!'). And that we all care ('and try to share!')

Read

Acts 2:42-47 and talk about what was important for the early followers of Jesus. What is important to you and your family in following Jesus?

Bake

Based on your research, recreate a meal the disciples may have eaten together.
