

Explore It TOGETHER

WHO'S 'GOT YOUR BACK'?

 Acts 9:19b-31; Acts 11:19-30 Paul and Barnabas

Here are some ideas and activities you could do as a family

Read

This week's Bible story is from Acts 9:19b-31 and Acts 11:19-30. Read it again together and think about what is important to each of you in the story.

Bake

Using a complicated recipe that you have found, work together to create a tasty dish.

Teach

You are the teacher! So teach your adult a new game or activity that you know well, but is new to them.

Build

As the weather is getting warmer, create a special den together you can play in. It might be in your garden, a place you walk, in your home ... Work together to help make it strong and secure.

Play

Take turns guiding each other. One of you is blindfolded and the other guides you safely through the house, garden or park. Find out what works best. Leading from the front? Holding one or two hands? Pushing from behind? Steering from behind, holding the shoulders?

Learn

Decide on something you can learn to do together this week. Maybe learn five words in another language, or how to play a new game, or create some quiz questions for each other.
