

RAISE FUNDS FOR

THANK YOU

Thank you for your interest in setting up a fundraising event virtually for The Salvation Army. The coronavirus pandemic has had a devastating effect on The Salvation Army, with the cancellation of fundraising events such as London Marathon and the loss of income from the temporary closure of charity shops and churches.

There are more people than ever in desperate need of The Salvation Army's help. Every penny you are able to raise will help transform lives.

£50

could help keep our food banks replenished from wholesalers and local sources

£114

could meet the cost of an officer for 3 days so they can distribute takeaway meals and provide support for vulnerable people

£150

could pay for 10 food parcels to feed 10 families in desperate need for three days

We have created **6 fun activities** for you to enjoy and share with your friends and family whilst raising vital funds for The Salvation Army.
