

# Explore It TOGETHER

## A GENTLE WHISPER

### 1 Kings 19 The Lord appears to Elijah

Here are some ideas and activities you could do as a family

### Read

Read the Bible story together. Why not re-enact God meeting Elijah – with sound effects!

### Play

Play a game of Chinese Whispers. Gather together your family and friends and sit in a circle. Choose one person to whisper a message to the next person. Pass the message around the circle and see if the message at the end is anything like the same as the original message.

### Share

Chat together about times you have felt God near to you and perhaps heard his voice. Did you feel him in big moments? Have you felt him near in small, quiet moments? Remember, God will never ask you to do something that is not a loving thing to say or do or goes against the Bible.

### Walk

Go on a walk together. At points in the walk, stop and listen to the world around you. Really focus on giving time and space for God to whisper to you.
