BEING together

LIVING IN
GOD'S LOVE

Dear God,
Your love for me never ends, no matter what I do.
The amount of love you have for me is almost
too much for me to understand!

I hope to get to know you better and show your
love to others in everything I think, say and do.

I am going to write my name on this card to show that I
want to be close to you and always have you in my heart.

Help me bring your love to this world and everyone in it.

Amen
