One of the best things about the Bible is that, the more you read it, the more you can discover new meanings! Enjoy reading!

Investigate

One of the ways we learn more about God is through the people he created. Pick a Bible character and learn more about their story. You could create a character sheet based on the Bible character. Draw them and write all you can find out about them. Share what you have discovered with the rest of the group when you see them next.

Watch
