## WHAT IS THE GOOD NEWS?

 Mark 1:15

Here are some ideas and activities you could do as a family

### Watch

Watch the clip from these week's session with the people at home:

*God's Story – Jesus* by Crossroads Kids' Club

How would you describe the Good News of Jesus?

### Pray

Whatever bad news there is in the world, we can always pray to Jesus about it.

Find a grown-up in the house who will pray with you. Watch the latest episode of *Newsround* and pray for all the people who feature in the news.

### Walk

Take a walk around your local area with a member of your family. As you pass each house pray for the people inside. It doesn't matter if you don't know their name, God knows who they are and will hear your prayers.

### Share

Ask your Christian family or friends what they find easy or difficult about sharing their faith with people who do not know Jesus.
