How is The Music Man Project serving Jesus and showing his love to others?

Discuss

Ask someone at home to share their favourite Bible verse with you and explain why it is so special to them.

If you live with people who don't know about Jesus, then you could tell them something you have learned in this week's session.

Lois and Eunice shared what they knew about God with Timothy, and we can do the same.

Teach

In this week's session we watched a clip where the children used Makaton, which is a special kind of sign language.

Watch the clip and learn from Daisy how to sign the Lord's Prayer using Makaton.

Once you have mastered it, see if you can teach it to someone else at home and share the prayer Jesus taught his disciples. If you are feeling really brave, then you might want to teach it to your church.

Watch

If you haven't seen it yet, then snuggle up on the settee with everyone at home and introduce them to the amazing Madrigal family in the film *Encanto*. No family is perfect, but Jesus is here to teach us how to love each other and be kind to one another ... just don't talk about Bruno!
