

# Explore It FOR ME

MAY  
SESSION 03

SMALL ACTIONS CAN MAKE A BIG DIFFERENCE

 Genesis 2:15; 1 Timothy 4:12

Here are some ideas and activities you could do on your own

## Discover

Children can make a huge difference when it comes to caring for creation. Watch this clip for inspiration.

## Dream

We've talked about lots of things we can do in our homes to look after God's creation, but it's time to dream big. Spend time dreaming about what you could do to make a difference and be an effective Creation Champion for God. Ask God to guide your thoughts and dream about the difference you could make using his power to help you.

## Pray

We can sometimes get overwhelmed about the changes that are going on in our world. If you start to feel anxious, then remember that we serve an amazing God. Listen to the song and spend some time taking all your worries about our planet to God in prayer.

## Sing

Only one more week to go! Keep learning the words and dance moves for the song from Session One. We'll be trying this song together again in the final session. 'All good dance moves' by Orange Kids Music
