- Follow any guidelines displayed by the Get OWT! team
- Familiarise yourself with our safety sheet (located in your pack)
- Find a space to stop for a snack and/or drink.
- Take photos of what you've been doing so we can share them on our Facebook page.

Please fill in the photo consent form and hand it back to us.

(Form found within your pack.)

Here are today's **GET OWT!** activities...

Spot the woodland homes

How many different homes can you find on your walk?

Here are some you could look out for:

Log

Tree

Hole in a tree

Pile of leaves

Hole in the ground

Nest

Nature craft: mini-den

Make a mini-den for one of your toy friends. Collect six to ten long sticks from the ground, about 30cm long. Make them into a tepee shape and tie some string around the top. Add more string, leaves, flowers and feathers to make it cosy and colourful! Don't forget to share a photo of your finished den on our Facebook page.

Craft: paper bag house

Turn your paper bag into a house! Use the shapes and stickers in your pack to add a door, windows, roof and decorations. You'll find glue and wooden spreaders in your bag today. When you've finished, please pop the glue pot in our recycling box, or take it home and reuse it.

Some things to think and chat about as a family:

- What do you like best about your home?
- Poet Gary Snyder once said that 'Nature is not a place to visit, it's home'. Where do you feel most at home? Do you think of nature as our home?
- Can you imagine not having a home? Unfortunately, some people don't have somewhere to call home. There are many good charities that support homeless people though, such as: Shelter, Crisis and The Salvation Army. Have a think about how you could possibly support the work of these charities.

The Salvation Army is a Christian Church and registered charity in England and Wales (214779), Scotland (SC009359) and the Republic of Ireland (CHY6399).
