BRAVE ESTHER

Esther

Here are some ideas and activities you could do as a family

Sing

Share this week's Micah 6:8 song with the people at home.

Find out which of the three songs has been their favourite so far.

Share

Esther was in the right place at the right time to help others. Share with someone at home Esther's story. Talk together about any times you have been in the right time and place to help someone or to stand up against unfairness.

'You may have been chosen for just such a time as this.'

(Esther 4:14 ICB)

Memorise

The memory challenge this month is to learn Micah 6:8. Ask someone to test you on it.

**'The Lord has told you what is good.
He has told you what he wants from you:
Do what is right to other people.
Love being kind to others,
And live humbly, trusting your God.'**

(Micah 6:8 ICB)

Too easy? Make it more challenging!

- ➡ Ask them to say any line – can you say the next?
- ➡ Can you say the lines in reverse order?

Watch

Snuggle up on the settee with someone at home and watch an episode of *Superbook* all about the story of Esther.
