the Jump IN! sessions.

INSTRUMENT SONGS

(Tune: 'Row, row, row your boat')

Clap, clap, clap your hands,
Clap your hands and sing.
We can clap to praise you, God,
Praise for everything!

Wave, wave, wave your hands,
Wave your hands and sing.
We can wave to praise you, God,
Praise for everything!

Play, play, play the tune,
Play the tune and sing.
We can play to praise you, God,
Praise for everything!

(Tune: 'We all clap our hands together')

We all clap hands together,
We all clap hands together,
We all clap hands together,
We're praising God today!

We all ring bells together ...
We all bang drums together ...
We play along together ...

(Tune: 'Do you know the muffin man?')

Let's praise God with instruments,
With instruments, with instruments,
Let's praise God with instruments,
He loves to hear us play!

Let's praise God with happy smiles ...
Let's praise God with lots of noise ...
Let's praise God so quietly ...

(Tune: 'London Bridge is falling down')

We are clapping praise to God,
Praise to God, praise to God!
We are clapping praise to God
For he loves us!

We are shouting praise to God ...
We are playing praise to God ...

(Tune: 'Wind the bobbin up')

Play your instruments, play your instruments,
Praise, praise, praise the Lord.
Play your instruments, play your instruments,
Praise, praise, praise the Lord.

Play them high and play them low,
Play them fast and play them slow.
Play them all together – one, two, three –
Put them down very quietly. Shhhhhhh!

(Tune: 'The wheels on the bus')

Listen to the drums go bang, bang, bang ...
Praising God!

Listen to the bells go ting, ting, ting ...
Listen to the shakers go shake, shake, shake ...
Listen to the trumpets go toot, toot, toot
Listen to us all make lots of noise ...

INSTRUMENT SONGS

(Tune: 'Heads, shoulders, knees & toes')

Drums, trumpets, tambourines – play loud!
Drums, trumpets, tambourines – play loud!
And bells and shakers join our happy song,
We are praising God today – shout hooray!

Drums, trumpets, tambourines – play soft ...
Drums, trumpets, tambourines – play fast ...
Drums, trumpets, tambourines – play slow ...

(Tune: 'London Bridge is falling down')

We are playing instruments, instruments,
instruments,
We are playing instruments,
For God loves us!

Tambourines and bells go ting - tingaling,
tingaling,
Tambourines and bells go ting,
For God loves us!

We are making lots of noise, lots of noise,
lots of noise!
We are making lots of noise,
For God loves us!

(Tune: 'Here we go round the mulberry bush')

This is the way we play instruments,
instruments, instruments,
This is the way we play instruments –
praising God together!
This is the way we bang the drums ...
This is the way we ring the bells ...
This is the way we make lots of noise ...

(Tune: 'This Old Man')

Gather round, gather round,
See if you can make a sound,
With a tap, tap, tapping
In a happy way
We are praising God today.

With a drum, drum drumming ...
With a jingle, jingle, jingling ...
With a shake, shake shaking ...
With a clap, clap, clapping ...

(Tune: 'Grand Old Duke of York')

We are going to sing a song that's full of
different sounds,
It's high and low and fast and slow
And echoes round and round.
The drummers' drum is loud,
The shakers' shake is clear,
The tinkling bells, they jingle well –
What joyful sounds we hear!

(Tune: 'Frère Jacques')

We are playing, we are playing,
What a noise! What a noise!
Having so much fun, having so much fun,
Girls and boys, what a noise!
