PRAYER PARTNERS

My prayer partner is

- ✓ *Prayer Partners* is where a committed adult is paired up with you to pray for you.
- ✓ Your prayer partner will ask you what you would like them to pray for you about.
- ✓ You can pray together, and your prayer partner will pray for you when they are at home too.
- ✓ They can write what you have asked them to pray for on a prayer card for you to take home.
- ✓ They will remember to pray for what you have asked.
- ✓ You can ask them any questions about prayer and learn how to chat to God for yourself.
- ✓ You may like to pray for your partner sometimes too!
