

## *He Knows*

**1. Who are we that You should care for us?**

**Father God, You love us so!  
We are yours and, oh, so precious,  
Honoured and held in Your love.**

**CHORUS:**

*So give Him all your worries,  
Cast all your cares on Him,  
For He knows what's in your heart  
And He longs to meet you there,  
He longs to meet you there.*

**2. Those He loves should care for each other,  
Sense the need of a burdened soul;  
Lifting in prayer the ones who struggle,  
Trusting them into His care.**

*So give Him all your worries ...*

**3. Father God, You know how we need You,  
Journey with us through each day;  
Ever close, our God of comfort,  
Nothing is unknown to You.**

*So give Him all your worries ...*

**Ending:**

*He knows, oh yes, He knows.*
