United Prayer for The International Day of Older People

Heavenly Father,

We thank you today for the gift of older people in our lives.

Thank you for their collective maturity, wisdom, experiences, prayers and love. May they feel honoured and valued in this community.

We pray you would give them courage and strength to cope with any difficulties they are experiencing.

Give grace to those who find it difficult to come to terms with other people caring for them.

We pray that you would draw each one closer to you, that their spiritual life would grow richer and deeper.

May they experience your abiding peace and presence. We ask this in Jesus' name, Amen.

Written by the Australian Territory of the Salvation Army reminding us that we are part of a Global Salvation Army celebrating Internationally this special day.
