

Celebrate the life of our Queen by giving her some wonderful colours! Try to make it joyful and think about the many good things she did or memories you have of her. Share them with a grown-up and talk about her together.

Learn these words of Jesus today: *My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. (John 14:2-3)*

For your prayers today: Father God, we pray for the members of the Royal family today, especially our new King Charles III. Thank you that you have gone ahead and prepared a place in Heaven for us. Amen.
