

RIGHT TRACKS

ALWAYS BEEN FAITHFUL

LYRIC SHEET

VERSE 1

Everybody needs a friend
Who's always got their back
Everybody needs someone
Who knows just where they're at
Well there's someone who I can
trust
Whatever I go through
Jesus is always with me
And he'll be with you too

CHORUS

*He's always been faithful
He's always been true
Whenever I've been down
He helped me pull through
He's always been with me
Wherever I go
Yeah, I believe in him
And I'll let it show
Wa-hoo x2*

VERSE 2

No need to feel lonely
Like no one understands
Cos there's a special someone
Who's always there at hand
His love for you is awesome
He showed that on the cross
And now he's there to guide you
There's no need to feel lost

CHORUS

*He's always been faithful
He's always been true
Whenever I've been down
He helped me pull through
He's always been with me
Wherever I go
Yeah, I believe in him
And I'll let it show
Wa-hoo x2*

He's always been faithful x4

CHORUS (X2)

*He's always been faithful
He's always been true
Whenever I've been down
He helped me pull through
He's always been with me
Wherever I go
Yeah, I believe in him
And I'll let it show*

Wa-hoo x2
