GOD CAME DOWN

LYRIC SHEET

VERSE 1

What would you give up
To show someone your love?
What would you sacrifice?
How would you pay the price?

How much would you pay,
Your friends and family to save?
Well there's someone who gave
Everything

CHORUS

*God came down from Heaven above
To show his love for me
He sent his son to be put to death
Gave his final breath for me to be free*

REPEAT FROM THE BEGINNING

CHORUS

*God came down from Heaven above
To show his love for me
He sent his son to be put to death
Gave his final breath for me to be free*

For me to be free x4

CHORUS (X2)

*God came down from Heaven above
To show his love for me
He sent his son to be put to death
Gave his final breath for me to be free*
