GOD YOU ARE GOOD

LYRIC SHEET

VERSE

You found me when I strayed
So far from you

Something was missing
Didn't know what to do

But then out of the darkness
Your love shone so bright
That it took all my sin away

And I knew all at once
I was wrapped in your love
In a moment my heart had been
changed

CHORUS

Cos God you are good, good, good,
good, good, good
Your word is true, true, true, true,
true, true
Your love is great, great, great,
great, great, great

Each day anew, new, new, new,
new, new
And each and every day
It's you that I will praise
You set me free, free, free, free,
free, free
With your love for me, me, me,
me, me, me
God you are good!

Woah, woah
God you are good!
Woah, woah

REPEAT FROM THE BEGINNING

God you are good!
Woah, woah
God you are good!
Woah, woah
God you are good!
