## I CAN TALK TO YOU

### LYRIC SHEET

#### VERSE 1

Picture this scene  
There's no-one listening  
To a word you say  
Your thoughts are swirling  
Your temper's burning  
You're feeling in a rage

You just need someone  
You can turn to  
Who understands it all  
A problem shared  
Suddenly feels small

#### CHORUS

*Whenever I feel like I need help  
Whenever I'm mad and want to yell  
Whatever my truth I that can tell  
Whatever I feel like, Jesus, I can talk to you  
Whenever I'm feeling thankful for  
All of the things you give me, Lord  
Whenever I need to stand tall  
I know, Jesus, I can talk to you*

*Do-doo do-doo doo  
I can talk to you  
Do-doo do-doo doo.*

#### VERSE 2

What about when  
Excitement's building  
And you're about to pop  
Things are all good  
You wish that you could  
Shout from a rooftop

You just need someone  
You can tell  
Who shares your joyfulness  
Well you can share  
With the one who knows you best

#### CHORUS

*Whenever I feel like I need help  
Whenever I'm mad and want to yell  
Whatever my truth I that can tell  
Whatever I feel like, Jesus, I can talk to you  
Whenever I'm feeling thankful for  
All of the things you give me, Lord  
Whenever I need to stand tall  
I know, Jesus, I can talk to you*

*Do-doo do-doo doo,  
I can talk to you  
Do-doo do-doo doo.*

*I can talk to you  
I can talk to you  
Whenever I feel like Jesus*
