# i SAY THANK YOU

## LYRIC SHEET

### VERSE 1

It can be so easy to forget there's  
a feeling  
That we can all choose every day  
Just taking a moment to think just  
how fortunate  
We are in all kinds of ways

### CHORUS

*I say thank you, every morning,  
I say thank you, every evening,  
I say thank you, every day,  
I say thank you*

### VERSE 2

When you think about it, there's  
lots all around us  
That we can appreciate  
If we choose an attitude that's  
focussed on gratitude  
Then soon we can see life is great

### CHORUS

*I say thank you, every morning,  
I say thank you, every evening,  
I say thank you, every day,  
I say thank you*
