

Schoolswork Conference

Sat 16th March 2024

Scarman Conference Centre,
Warwick, CV4 7SH

We want to invite you to see why your local school needs you and to encourage you to get involved.

You'll hear from school leaders, teachers, volunteers, governors and students. They'll tell stories of how it is and how it could be. Together we'll offer inspiration, resources and teaching to equip you and your local corps to join in with God who is already present in our schools, and tell new stories of hope and transformation.

Children
& Youth

Young people spend around 32 hours each week in school. It's a significant space. Beyond the timetable and curriculum, a lot of life happens here.

The Salvation Army are present in many schools as senior leaders, teachers, staff, and governors. And as volunteers running assemblies and lessons, listening to children read, running after school clubs, mentoring programmes, uniform banks and more. Yet there are many other schools with open doors, where we could be making a difference.

Those in schools tell of children and young people who are in mental health crisis, of those who are hungry, who don't feel safe there, who only feel safe there, who aren't there. They also tell of thriving and hope made possible by those choosing to step in and step up.
