

THE SALVATION ARMY

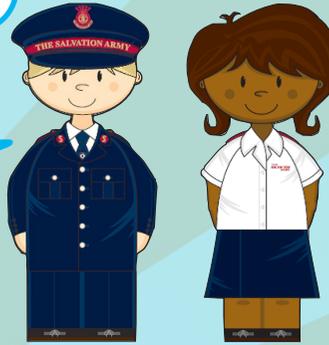

The Salvation Army is a **Christian church** and a **charity**. We believe in putting **faith into action** by helping people.

We **worship God** and follow the **teachings of Jesus** which are found in the **Bible**.

We want to share the good news about Jesus – **he inspires us to help others**.

We love to worship God, to praise him and to **thank him** for all he has done and given us.

We are called an Army because we **fight against injustice** by showing love to others.

We **help people** who are in need.

We help people who are **homeless** or **unemployed**.

We help people struggling with **addictions**.

We help **older people, families, young people** and **children**.
