**Welcome to Grow: The Children & Youth Leaders' Conference 2025.  
We're looking forward to sharing in this weekend with you.**

When we look at an acorn, we are reminded of the mystery that something so small holds the potential to become something mighty. This seed could become a tree. And not just any tree, but an oak tree! Enduring, strong, fruitful, and beautiful. That potential can be held in the palm of a hand, but flourishing requires more than just potential.

Potential is realised when a seed is grounded in soil that is deep and rich in nutrients, when it is fed and watered and when the sun shines on it. Potential is realised when there is protection from storms. Potential is held in the very being of the acorn: What it becomes depends on how it is surrounded and nurtured.

Each child and young person holds within them an innate, God-given potential for a life that is enduring, resilient, fruitful and filled with beauty. Their identity, purpose and belonging are held in their very being but are also dependent on an environment that firmly roots them.

And this is our calling: To hold them in environments that are safe and nurturing. To fill them with words of truth, wisdom, goodness, hope and love. To surround them, offering protection from storms and influences that want to tear them down. This weekend, we'll lean into our calling – to hold the potential of every child and young person – and learn how we can create environments that nurture, feed and allow God to bring about growth.

'May his Holy Spirit give you his power deep down inside you. Then Christ will live in your hearts because you believe in him. And I pray that your love will have deep roots. I pray that it will have a strong foundation.' Eph 3:17 (NIRV)

# Grow Contributors

We are pleased to be joined by a number of guests, speakers and musicians, as well as representatives of a number of Mission Service Departments.

## Commissioners Paul & Jenine Main Territorial Leaders, UK & Ireland

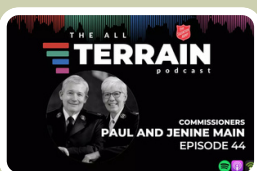

Paul and Jenine Main have served as Salvation Army officers for 39 years. They met at the Training College in 1986 and married later that year. Their officership has taken them to various locations in the UK, including London, Liverpool, North Wales, the Isle of Man and Cardiff, where they served on DHQ for seven years.

They first served at THQ in 2007, with Paul as Territorial Evangelism Secretary and Jenine as Mission Development Officer. In 2011 they were appointed as Divisional Leaders in the Central South Division.

Separate appointments followed, with Paul appointed back to THQ as Assistant Secretary for Personnel and Jenine becoming the Divisional Commander of the Central South Division. 18 months later, Jenine was appointed as Divisional Commander of the new North London Division, and Paul as Territorial Secretary for Personnel and Executive Officer for the International Staff Songsters.

In 2018, they were appointed to the Caribbean Territory, Paul as Chief Secretary and Jenine as Territorial Secretary for Women's Ministries.

Returning to the UKI Territory, they took up appointments as Chief Secretary and Territorial Secretary for Leadership Development. On 1st January 2024 they were appointed Territorial Leaders in the United Kingdom & Ireland Territory. They have two married children and four grandchildren. Paul enjoys gardening, while Jenine likes reading, walking, and swimming. They love exploring new places and meeting new people.

**Andy Flannagan**  
**Bible Teaching**

Andy Flannagan's album 'Drowning in the Shallow' was described as 'near-perfect' by Cross Rhythms, but he remains disappointingly imperfect. He wrote the critically-acclaimed book 'Those Who Show Up', which has inspired many normal people to get involved in politics and is now the Executive Director of Christians In Politics.

Longing to see the church invest as much in the 'dispersed' as it does in the 'gathered', he is leading on releasing and equipping Christians to be influential in the spheres of culture for the Gather UK Movement. His songs 'We Seek Your Kingdom' and 'Tears and Celebration' have been taking words of worship into the civic space and gleaning huge use around the UK and beyond. His worlds collided perfectly in 2022 when leading worship at the now infamous National Prayer Breakfast that precipitated a change in Government.

Listen to Andy Flannagan on Episode 48 of The All Terrain Podcast. Scan the QR Code or [click here](#) to listen.

**Jenny Flannagan**

She also has a cabaret theatre company - The Ruby Dolls - with whom she writes and performs, mostly in London rather than out west. She loves swimming in the sea, reading novels and eating.

## M25 Worship Leaders

'We don't cause traffic, just jams!'

M25 is a passionate group of eight musicians from across the London Division, brought together by a shared love for worship. Their name began as a lighthearted joke, since they all attend churches within the M25, but it soon took on a deeper meaning when a verse from Malachi 2:5 was laid on their hearts: 'My covenant was with him, a covenant of life and peace, and I gave them to him...'

With hearts open and expectant, the band are really excited about leading our sung worship over this weekend.
