Welcoming

Core Recovery is a place where everyone is welcome to come and explore the importance of spirituality in recovery, whether that recovery is from addictive habits, health, or life situations.

Belonging

It is a place where you can belong, where we celebrate diversity, growing and learning from one another. A space to share and listen to each other's stories, loving each other through setbacks and successes.

Come and join a community!

Healing

Core Recovery is a healing place, where we explore how the Christian faith and recovery experience can make a difference to your journey. Providing a safe and encouraging community, empowered by prayer, that wants you to live life to the full.*

Come and be part of the Core Recovery Network

We support those looking to set up a Core Recovery community with:

- A network of experienced support
- Ideas and resources
- Training on the principles and values of a recovery group
