

PRAYER PROMPTS - HELPING-HAND 2026: WOMEN AND GIRLS

There are many ways to take part in the Helping-Hand Appeal, and prayer is vital. Scan the codes below or visit salvationist.org.uk/helpinghand to watch the videos, then use the pointers below to guide your prayer time.

Safety, healing and freedom for women and girls

Pray that those experiencing violence and exploitation will find protection, support and paths to freedom. May unjust attitudes and practices be dismantled so that the God-given dignity of every person is recognised and honoured.

Strength and wisdom for The Salvation Army

Pray that God will equip the staff from The Salvation Army project in Jashore, Bangladesh with compassion, resilience and guidance as they accompany women towards safe, sustainable futures.

Protection and flourishing for children

Pray that children growing up in the brothel district will be kept safe from abuse and neglect, and that the centre's learning and play spaces will nurture their wellbeing, education and hope.

Impactful community outreach

Lift up the community organisers who travel to neighbouring villages to raise awareness of child marriage and gender-based violence. Pray that their efforts will create lasting social change and address the root causes of exploitation.
