### ‘Walk on’

#### Lyrics

As the varied way of life we journey,  
Come the plains and then the mountainside,  
Come the days of joy when birds are singing,  
And the world is fair and sweet and wide;  
Then a deeper joy comes, overfilling,  
From the everlasting throne of love,  
And all other joy is but an echo  
From the ever-blessèd heights above.

*Walk on, walk on, walk on, walk on,  
Walk on through the journey of life.  
Walk on, walk on, walk on, walk on  
With the ever-loving Saviour by your side.*

There are shadows on the earthly pathway  
Where, at times uncertainly, we tread;  
In perplexity we halt and linger  
Till our faith again is upward led.  
For the heights of truth are ever calling,  
And celestial radiance from afar  
On our pilgrim way is gently falling  
For our comfort where the shadows are.

*Walk on, walk on, walk on, walk on,  
Walk on through the journey of life.  
Walk on, walk on, walk on, walk on  
With the ever-loving Saviour by your side.*

In the days of peace and golden sunshine,  
In the days of joy, or days of woe,  
There is confidence in him who holds us;  
There is light to guide us here below.  
And beyond await the heights of rapture  
Where all earthly joys, transcended, fade  
In the glory of the Saviour's presence,  
In the Home eternal he has made.

*Walk on, walk on, walk on, walk on,  
Walk on through the journey of life.  
Walk on, walk on, walk on, walk on  
With the ever-loving Saviour by your side,  
To the home he has prepared for you on high.*
