

Start the trail here...

**Follow the numbered trail and
see where the worm is going.
Watch out for hungry birds!**

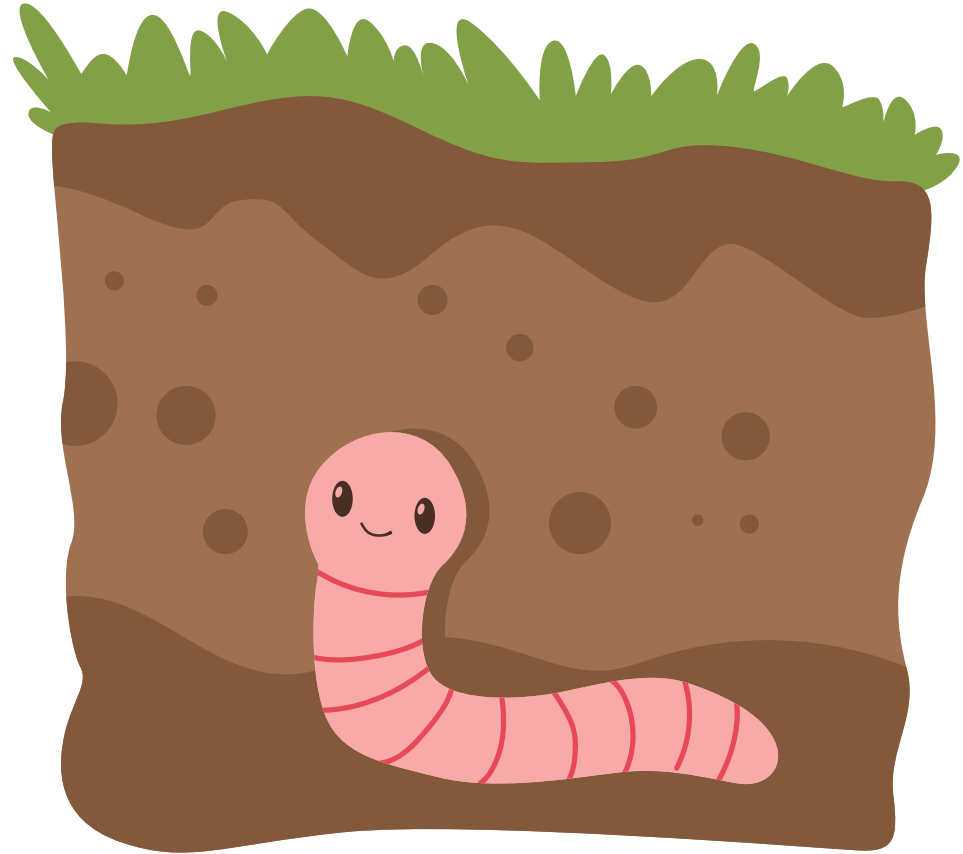

'Hello! I'm a worm, I've got jobs to do, I'm very busy... How about you?

Can you pretend to dig some soil like me?'

'I usually live
underground. I like
the dark - that's
where I'm found.'

Close your eyes
and make it dark.

‘When it’s raining,
up I pop. I wriggle
along - I just can’t
stop!’

Is there any rain
today?

**'Let's go - there's
wiggling to do! Can
you wiggle too?'**

**Wiggle and squirm
like a worm!**

**'A snail is slowly
going past. I can't
slow down. I wriggle
fast!'**

**Move slowly like a
snail!**

**'Watch out! A bird is
in the tree. I'll hide
away - it won't
catch me!'**

**Shoo the birds
away!**

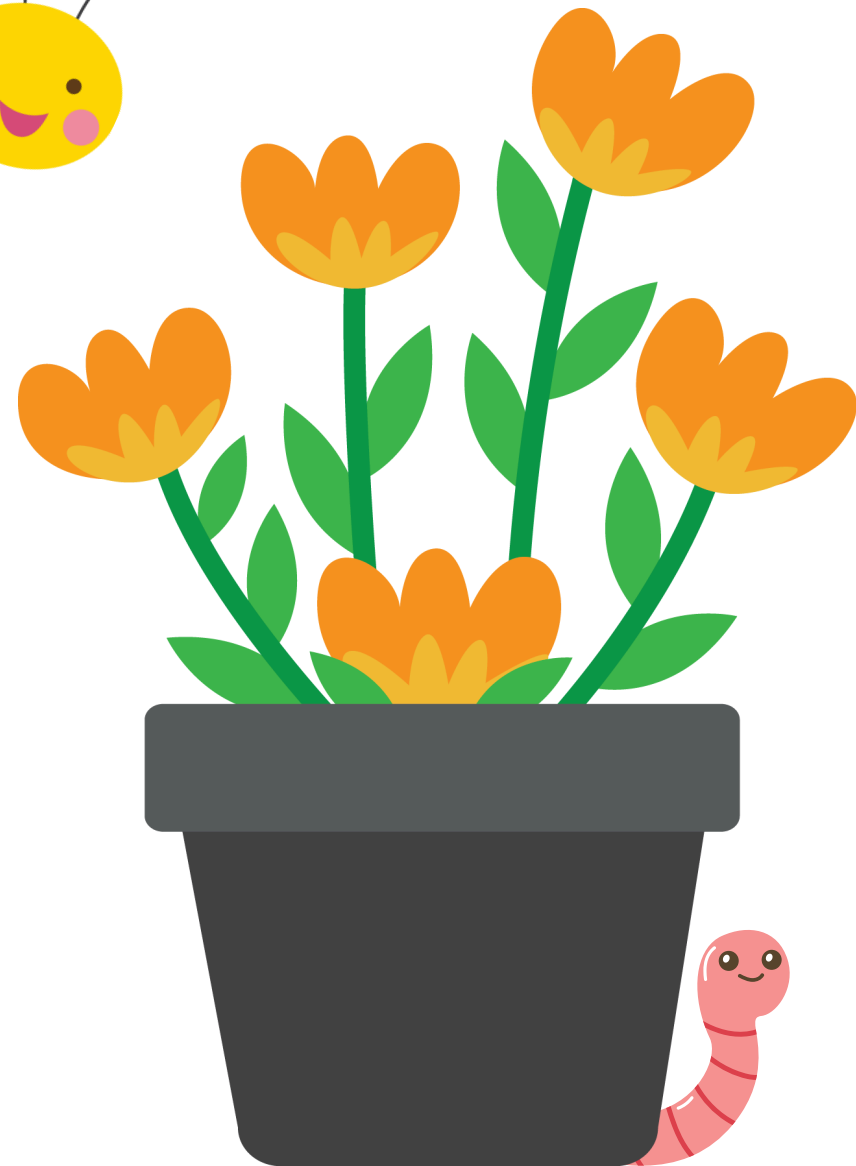

7

**‘Look, some flowers’,
says the buzzy bee.**

**‘Yuck, not the food
for me!’**

**Can you spot the
worm?**

‘A pile of mouldy
food to munch!
This is where I
find my lunch.’

What food do
you like?

Well done! You've finished the trail! I wonder if you can spot any real worms today?
