

Welcome to Together 2026

We are so glad you are here! At Together 2026, you might hear the words 'This is Us' - words that will help us think about how we are all an important part of The Salvation Army and God's Kingdom! These activities are one of the ways you can choose to connect with God, and the people you're here with.

Fill in the Gaps

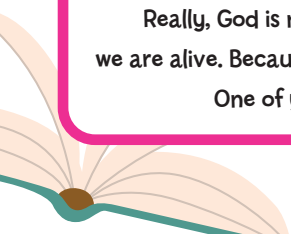

Fill in the blanks of the Bible verse that will be read during the meeting. If you don't hear it, maybe you could look it up yourself in Acts 17:24-28.

'The true God made the _____ and everything that is in it. He rules everything in the earth and in _____. He does not live in any buildings that people have made for him. People make things to give to _____. But God does not need anything like that. It is God himself who causes everyone to _____. He gives them everything that they need. God first made one man. From that one man he made all the different groups of _____. He caused them to live in different places all over the _____. He decided where each group of people should live. He also decided how long they should live in each place. God did all this so that people would want to know him.

They would look _____ for him and perhaps they would find him.

Really, God is near to each of us. Someone said this: "Because God gives us life, we are alive. Because of him, we can move about. Because of him we can be who we are."

One of your writers has also said, "We too are God's _____."

Thinking Time...

'This is Us' reminds us that we are all unique (different to each other and very special). Can you write or draw some of the things that make you very special? What special talents or skills has God given you? What does God love about you? (There are lots of answers to this!)
