We Need Your Help!

We think that children's thoughts and opinions should always be listened to! We want everyone to be able to join in with The Salvation Army (who also publish *Kids Alive!*), so we have something important to ask you: **'Imagine the best Salvation Army for children. What could it do to make sure children feel important?'** Perhaps there are ways they could involve, include or listen to children better. Or things children need more support with. You can use the space below to design, write, draw, paint or share your ideas. We can't wait to hear what you think! To say thank you, we will send you a gift in the post and print some of your ideas in *Kids Alive!* Email your ideas to: kidsalive@salvationarmy.org.uk. Make sure you write 'We Need Your Help!' in the subject box and give us your full name, age and address. Alternatively, you can post your ideas to: Your Space, *Kids Alive!* 1 Champion Park, London, SE5 8FJ. **One last reminder, if you're sending by post remember to fill in the details below so we know who you are.**
